The closing balance is much less than 25% — and the expenditure is all necessary. I therefore agree with the idea that the prescribed balance should always be kept. I do not know why the sum offered in the Tuticorin Hospital's memorial for conservancy was not sanctioned. But however I understand that it is spent on the female hospital. On the whole the revised estimates may be accepted.

READ :—

Letter from the Deputy Commissioner of Tumkur, No. 323, dated 26th September 1895.

As resolved by the District Fund Board in para 15 of their Proceedings, dated the 27th and 28th August 1895, submitted with this office letter No. 252 of the 5th instant, I have the honor to submit herewith for sanction a revised District Fund Budget for the year 1895-96, with a memorandum explaining the items for which increased or reduced provision is now made, as compared with the Budget estimate sanctioned in Proceedings No. 24101-5—L. F. 145-94, dated 25th June 1895.

2. The actual opening balance of the District Funds on the 1st July 1895 was Rs. 69,045-14-9 as per Comptroller's docket No. 477—L. F. of the 11th September 1895 (copy appended for ready reference.)

The receipts for the year 1895-96 being estimated at Rs. 68,500, the total assets amounted to Rs. 1,37,545-14-9. Setting apart the usual 25 per cent amounting to Rs. 34,386-7-8, the balance available for expenditure during the year is Rs. 1,03,159-7-1. The revised Budget now submitted is for Rs. 1,02,144, which, I beg, may be sanctioned at an early date.

No. 6212-4—L. F. 145-94, DATED, BANGALORE, 23RD NOVEMBER 1895.

ORDER THEREON.—The revised District Fund Budget estimates under expenditure for 1895-96 received with the above are sanctioned subject to the following remarks :—

(*a*) *A. Public Works to be executed by Public Works Department I, Original Works.*—The sum of Rs. 6,000 included under this head for the construction of Musafirkhanas should not be utilized pending the issue of final orders in regard to the adoption of a standard plan.

(*b*) The provision for establishments on account of works will, in accordance with Proceedings No. 4449-58—L. F. 210-92, dated 23rd October 1895, be raised to Rs. 8,498.

(*c*) Provision is made in the above Budget for a care-taker on Rs. 5 to the Inspection Lodge at Baichapur in the Maddagiri Taluk and also for those in the marginally noted Musafirkhanas, but they are not included in the list of Bangalos and Musafirkhanas published with Proceedings No. 1365-6—L. F. 71-94, dated 25th July 1895. Pending explanation in regard to this difference, the estimate will be allowed to stand.

1. Chelur.
2. Doddaguni.
3. Yelladabagi.

(*d*) The Deputy Commissioner has not as yet furnished the information called for in para 6 of Government Proceedings dated 25th June 1895, No. 24101-5—L. F. 145-94, in regard to the increase of establishments provided under "Civil Charges." Pending the issue of final orders on the increases therein referred to, the provision made for them should not be utilized.
